### 12/1/2010 10:03:00 AM Book signing at Mud Creek

After four years the "hip-rural" Mud Creek Coffee House & Cafe in Stockbridge adds more than food and lattes to the menu. Now in addition to a variety of holiday gifts, people can get their own signed copy of the new book "Rise Above the SH"! Down-to-earth thinking from Wisconsin" by Wisconsin author Mary Anne.

The book will be showcased at the **Mud Creek Holiday Open House** on Saturday, Dec. 4 from noon to 3 p.m. and will feature a book signing with the author. The book is about how to make life incredible, no matter what, so that dreams can be lived. The author's dream is to "raise \$1 million for charity while making the world a happier place," a goal which will be continued with \$1 per book going to the non-profit organization NAMI (The National Alliance on Mental Illness), the charity selected by **Mud Creek Coffee** owner Julie Parsons. See more information about the book at [AnniePress.com](http://AnniePress.com). In addition to the book signing, the Holiday Open House will feature wine sampling, gift basket orders, apparel, other holiday gift ideas, specials and discounts throughout.
